# CAREGIVER QUALITY ASSURANCE

The Caregiver Quality Assurance (CQA) seal is a standardized national program that Corewood Homecare subscribes to. CQA tests and evaluates prospective field staff for honesty and personality fit in providing care and support to clients and their families.

OUR CAREGIVERS ARE EMPLOYEES, NOT INDEPENDENT CONTRACTORS.

This means that we accept the responsibility for their screening, training, insurance, and supervision, so you don't have to worry about any of those things when trying to find the best care for yourself or a loved one.
